

LA RÉSIDENCE PARIS
A SECRET HOME

*Your private palace
in Paris*

La Résidence Paris is a secret place that offers the best of a top Parisian palace and of a classical 'Hotel Particulier'. The space, quietness and security of a beautiful mansion surrounded by its 1700 sq. m garden, yet at the epicenter of West Paris.

This is the ideal place for people looking for discretion, security & space while being at the epicenter of the fashionable west of Paris.

SPACE & COMFORT

—

This 700 sq. m private mansion, formerly owned by a famous French singer, has been refurbished to combine art and practical comfort and allow flexibility between privacy and open spaces .

It features four guestrooms, accessible by elevator, including two spacious suites enjoying magnificent views on the 1700 sq. m private garden.

There is also the possibility to house private staff adjacent to one suite or in a separate private house within the Property – On request.

AMENITIES & SERVICES

La Résidence Paris is organized to offer all the services needed, the amenities expected, and the extras deserved.

Each bathroom is redefined into a healthy sensory experience with SkinJay. Its natural essential oils capsules turn your shower into a true spa. For business convenience, meeting rooms have been set up to welcome confidential unlimited talks.

La Résidence Paris is a children friendly house. Babysitting service and baby equipment are available anytime during the stay.

Nothing is left to chance in terms of comfort and services. The house is cigar friendly and perfect for Wine lovers. A selection is stored in a wine cellar available at a competitive price, as all F&B.

SECURITY & PRIVACY

At La Résidence Paris, as a client you will have all the privacy needed and **can not be seen**. Nestled within a **1700 sq. m garden** fully privatized and going along with pieces of art and beautiful flowers, the Villa has a **high level of security while providing comfort of two suites and two deluxe rooms**.

A newly installed security system and potentially a security team who possesses its own independent on-site accommodation can be in place. The house is equipped with connected defibrillators.

The secret entrance is keeping the place private in shelters of the glances. Guests can drive directly to the mansion without stepping out in the street. The swimming-pool can be used **24/24**, even naked! (...), **anytime**, such as all the other facilities: Fitness room, Sauna, Massage room.

ART & TECHNOLOGY

The trendiest artists inhabit La Résidence Paris: JR, Maurizio Toffoletti, Guillaume Piéchaud, Olivier Dassault, Demarchez, Ruben Brulat, Henri Dimont have left their marks and used their talent to create a unique visual universe.

Gathering paintings and photographs of modern art from the sharpest artists, La Résidence Paris Collection creates a travel through different worlds: from the point of view of Thomas Eigel to the brush of Georges Braque.

A library with hundreds of rare books welcomes all book lovers.

For music lovers, real melomans will appreciate the cutting-edge technology sound system by Devialet, the best in the world. iPads are available with a concierge app provided by HotelCloud and TVs are connected to English, Russian, Arabic, Spanish,... channels.

THE TEAM

La Résidence Paris has for ambition to offer the most exclusive comfort and hospitality to its guests. The caring staff has its own living place - rooms up to 4 people - to provide guests **the best and discrete service** possible at all time during the stay. Guests can choose to have a chef or cook themselves, to have a coach or exercise themselves !

The onsite staff of La Résidence Paris is here to ensure the best customer experience at home and in Paris. Indeed, there are here to fulfill any request they may have and are supported by many experimented quality partners. The team is working in partnership with **MyConcierge** who "even for the most imaginative ideas, [...] has an answer up its sleeve to turn your ideas reality".

On top of that, the initiator and owner of the property, Mr. Ott renown Hotelier and Owner of 'La Résidence Paris' summarized its philosophy: "I wanted a retreat in Paris, a **hideaway place** in the center for people who trust that **luxury is peace, security and intimacy**".
