Welcome to your Lochrin Quay Resident Concierge App.

The resident concierge app provides on-demand concierge services for residents living with us. From accessing exclusive privileges at local establishments, to taking care of everyday lifestyle needs the concierge is at your service to assist you.

YOUR CONCIERGE IN YOUR POCKET

- Learn all about the property, meet the concierge team and keep up to date with what's going on
- Come home happy - let us to take care of your chores - housekeeping, laundry and other essential day to day services
- Never miss a parcel again – get notified when a parcel is ready for collection using our Bring Me lockers
- Explore your amenities and amenity spaces for a special occasion
- Exclusive access to perks and privileges on your doorstep
- Track your requests and orders in real-time

Request and pay for any service from the comfort of your home, book on-demand or in advance.

Simply download the app, create your free account and let us handle your requests.

We look forward to being at your service.
