OUR CHAPTER COMMITMENT TO YOU

2020 has been a challenging year and we are aware that these unprecedented times may continue into 2021.

We want to provide reassurance that we have put stringent measures in place to prevent the spread of **COVID-19** within our buildings and protect you, other residents and our on-site team.

We understand that the situation is constantly evolving but here are some of the measures already in place to keep you, other residents and our on-site teams safe:

- Increased and thorough cleans of all communal spaces and amenity spaces
- Hand sanitiser available in communal areas
- Clear signage to encourage social distancing throughout our buildings
- Free monthly communal bathroom and kitchen cleans
- Self-quarantine support – waste removal, food & beverage and parcel delivery, well-being support

In addition to these measures, we have moved our check-in for 20/21 online and alongside carefully planned on-site events, we have enhanced our resident experience platform to include virtual events and on-demand content from language classes to virtual museum tours.

We will be keeping our Chapter commitment fully updated with the latest information with all the precautions we have in place including the most up-to-date guest policy in accordance with government guidelines, this can be found online at **www.chapter-living.com/information/our-chapter-commitment** or you can visit the commitment directly by scanning here:

Thank you for your support and please do reach out to your site team should you require any further assistance or have any questions.

This card also provides you with access to all social spaces and events across all Chapters in London. You will need to show it at Reception when you visit the other locations.

ANUK CODE

Chapter is a member of the National Code of Standards for Larger Student Halls. The code provides guidance and minimum standards that code members are expected to attain and these standards are checked regularly by site inspection. The code also provides a complaints service if things go wrong and are not addressed properly by us. Full details of the code can be found at www.nationalcode.org.

CHAPTER MEMBERS' CODE

As your Landlord we provide you with a home away from home while you are at university. We are committed to providing a safe and secure environment so that you can get the most out of your time studying in London and with that in mind we have created the Chapter Members' Code. While you are living with us or visiting any of the Chapter properties (meaning any property managed by your Landlord's Agent), you and your guests must observe the Chapter Members' Code. The full Chapter Members' Code is in Appendix A of this guide or can be read via www.chapter-living.com/memberscode.

COUNCIL TAX EXEMPTION

You will be given a council tax exemption form during your first week at University. You will need to fill this form out and follow the instructions regarding sending it back to the local authorities.

YOUR ROOM

Your room is your sanctuary, so it's up to you to keep it clean and report any maintenance problems. On arrival you will be provided with an inventory form that lists all the items in your room, kitchen and bathroom. Please make time to complete it correctly – ideally within seven days of moving in. When you check out, you need to return the room in the same condition that you found it and reported through the inventory form.

Here is a basic guide to your room.

HOUSEKEEPING AND MAINTENANCE

GENERAL HOUSEKEEPING RULES

You will be required to clean your room, bathroom and any shared communal facilities within your flat to ensure you are living in safe and hygienic conditions. Whilst you are cleaning, please:

- Do not use abrasive cleaning products that can damage surfaces.
- Do not use hair or clothes dye in your en suite or kitchen.
- Do not put any pictures, posters or strip lights on your walls as this will damage the paint and could result in additional charges as per Appendix C of this handbook.

We will clean the community spaces (i.e. gym, study area, etc) on a regular basis but ask you to be considerate of other residents. You must clean up any rubbish after using these areas.

Chapter offers paid cleaning services year-round which can be booked via the Chapter Service app. For more information please refer to page 18 of this handbook.

MAINTENANCE

Accidents do happen and there are times when things can't be helped but please let us know if you require maintenance assistance and we will get things fixed as soon as possible. From Monday-Friday between 8am-5pm, we have a maintenance team on site who will try to sort out any issues as soon as they are reported. On weekends there is a team on standby for emergency situations. In some instances, we do have to prioritise repairs depending on their urgency; however, we aim to get all emergency issues resolved within 24 hours.

If you have any maintenance issues in your room or flat, please report them via your resident portal https://chapteraldgate.active-building.co.uk/ or contact the team at Reception.

BE ECO-FRIENDLY

Being green is important to us. Here's what Chapter are doing to be eco-friendly:

- Light sensors are installed in all public areas, including flat corridors and bathrooms.
- Energy efficient bulbs are fitted in the main lights throughout the building.
- Double glazing is installed in all the hallways.
- A-grade appliances, including refrigerators/freezers and ovens, are supplied.

You can join us in being eco-friendly by following these easy tips while you live with us:

- Recycle your rubbish. If you're not sure what goes in the recycling bin, please refer to www.recycleforlondon.com/what-can-i-recycle.
- Turn off lights and appliances when you go out.
- Unplug electrical items from the outlets when you aren't using them.
- Switch off taps and only boil as much water as you need.
- Use your radiator sparingly and remember to close the windows when the heater is on.
- Turn off heaters before going out.
- Don't wash clothes in the shower.
- Keep doors closed.

HEALTH AND SAFETY

GENERAL SAFETY TIPS

- All gates and entrances are self-closing and may be activated using your access card.
- Don't prop doors open (especially fire doors).
- Always carry your card and keep it safe. Never give your card to anyone else.
- Be aware of strangers on the premises and report any unusual behaviour to a member of the team at Reception.
- If you see anything suspicious, report it to the team at Reception as soon as possible.
- Comply with social distancing regulations communicated throughout the building.

If you are worried about the safety of any equipment in your room or shared areas, speak with the team at Reception.

FIRST AID

If you have an accident at Chapter Aldgate, please report it to the team at Reception. The office keeps a first aid box, but it does not issue medications of any description.

999 is the UK number for all emergency services, which includes ambulance, police and fire services. You will be asked what assistance you need when you get through to the operator. Please only call the emergency services if it is an actual emergency.

For non emergency situations the UK number to call is 101.

FIRE SAFETY

Now that you're sharing a living space with others, it's vital that you know how to prevent a fire, and what to do if one occurs. Please read the information below – it outlines general fire prevention, fire alarms and the evacuation procedure. You are required to take part in fire drills. If the fire alarm sounds, you must evacuate the building and go to your designated assembly point. **Our meeting point is Assam Street (behind Chapter Aldgate).**

FIRE EXITS AND EVACUATION

Know your escape route and equipment.

- Make sure you know where the nearest fire exit is located.
- Read the fire notices dotted around the building and on your apartment door.
- Know where the evacuation point is and how to get there.
- Only use fire-fighting equipment if it is safe to do so. Do not put yourself in danger.

Keep access to fire exits clear.

If you notice any obstructions to fire exits, please let Reception know. Your room doors are there for your safety. Please ensure they are closed at all times. If you notice the fire door to your room is damaged please report it via maintenance. Bikes must not be kept in your room or in the way of an escape route. If you do have a bike, please keep it in the secure bike store.

Know what to do if a fire alarm sounds.

- Leave the building immediately – don't stop to collect your belongings.
- Stay calm and make your way to the nearest fire exit.
- Make your way to the evacuation assembly point.
- Do not attempt to re-enter the building until it is deemed safe by a member of staff or the fire brigade.
- Do not tamper with the fire safety equipment.

FIRE ALARM TEST

Every Thursday at 2:45pm.

This is the only time you will hear the alarm and should not prepare to evacuate the building.

HEAT AND SMOKE DETECTORS

Your room and communal corridors are equipped with heat and smoke detectors. **Do not tamper with any fire detection systems and devices within the building.** Tampering with the fire alarm system is a breach of the Chapter Members' Code (refer to Appendix A). If it is found that the fire alarm systems or equipment have been tampered with, an administrative cost will be charged plus any cost incurred. If your smoke detector sounds intermittently it may need a new battery. Please contact the team at Reception immediately.

HOW TO AVOID FALSE FIRE ALARMS

Most false alarms are caused by fire doors being left open when people are cooking. This is a large inconvenience for everyone concerned (not least the fire brigade). Smoking is not allowed in your room or in the building. There are designated smoking areas outside of Chapter Aldgate. Please refer to Appendix A for more details on our no smoking policy.

ELECTRICAL SAFETY

We want you to stay safe whilst living with us at Chapter. Therefore, we ask the following:

- Don't overload sockets.
- Switch off and unplug appliances when not in use.
- Follow instructions when using electrical items.
- Don't try to force European or US plugs into UK electrical sockets. The team at Reception can advise you on where to purchase an adaptor should you require one.

KITCHEN SAFETY

We also want you to stay safe when cooking in your kitchen. Therefore, we ask the following:

- Don't leave cookers unattended when in use as this may cause a fire and can result in significant damage, putting you and other residents at risk.
- Keep the grill clean (dirty pans can catch fire very easily).
- Your kitchen door is a fire door. Please ensure it is closed at all times (especially when cooking).
- Switch on the extractor fan when cooking.
- Chip pans and deep fat fryers are not permitted.

CHAPTER SERVICE APP

We know that sometimes it's difficult to arrange all the essentials while living in London. The Chapter Service App is available for residents to order extra services, ensuring you have a seamless and hassle free stay. Below are just some of the services that we offer (at an additional cost):

As part of our Chapter Commitment, we will also be providing free monthly cleans for all communal kitchens and bathrooms (excluding twin rooms).
