- **We are from Social Landscapes**
- **Welcome to our workshop 'Gathering Ideas' to re-imagining the gardens & outdoor spaces surrounding Treadgold House**

Agenda

1. Introduction - who are Social Landscapes & what we do
2. Why create community spaces
3. Treadgold House residents: observations
4. Design thinking exercise
5. The next workshop

Social Landscapes is a community interest company who work with both individuals & groups to re-imagine and re-design their green spaces to support personal, social and ecological wellbeing.

We believe that healthy neighbourhoods need vibrant places and that these places need engaged communities. By using a creative, permaculture and placemaking approach to what we do, we create urban environments where people and planet prosper.

"Human connection lies at the heart of human wellbeing!"

Thank you, we look forward to hearing from you!

DESIGN THINKING EXERCISE

Can you re-imagine your garden & green spaces?

- Playscape?
- A green house?
- Herb beds?
- Fruit bushes?
- An orchard/ fruit trees?
- Social space?
- Wild garden (biodiversity)?

What would you like to see on your new refurb balconies?

- A bike rack?
- Vertical growing?
- Planted sunscreens/
wind-brakes?
- Hanging baskets?
- Balcony boxes?

Would you like to change the car park or part of it?

A greenhouse?

Bike shed?

Outdoor gym?

Allotment raised beds for food growing?

Keep it as a car park?

From all of us thank you!
We really appreciate your time and participation
