Our events

ALL OUR EVENTS
FALL UNDER ONE
OF FOUR KEY
THEMES THAT
ARE EXTREMELY
IMPORTANT TO US
AT CHAPTER

MINDFULNESS & WELLBEING

We're well aware of the stresses that come with being a student, so your health and wellbeing is at the forefront of our mind.

From breakfast clubs and fitness sessions, to pet therapy and stress management tips, we're here for you at Chapter.

EQUALITY & DIVERSITY

Chapter is home to residents from across the globe, so we want to make sure we're honouring the assortment of nationalities and cultures across all our properties.

Join us to celebrate national holidays and festivities, learn new things about other cultures and try food from around the world.

COMMUNITY & CREATIVITY

From games nights and karaoke, to fun days out and friendly competitions, it's always nice to be able to let your hair down and unlock the creativity within.

Life's not always about being serious when you're a student, so these events are the perfect opportunity to let off some steam.

CAREER & DEVELOPMENT

We recognise the importance of career development as a student and want to help give you the best starting point whilst staying at Chapter.

Progression sessions are scheduled throughout the year, including talks from industry professionals, CV workshops and mock interviews.

We want to provide reassurance that we have put stringent measures in place to prevent the spread of COVID-19 within our buildings and protect you, other residents & our on-site teams.

All events & the use of communal areas will be in compliance with government guidelines to ensure your safety.

Speak to your reception team to find out more.

Cycling around London

A person wearing a blue denim jacket is sitting on a black and orange bicycle. The bicycle has a white saddle and orange handlebars. The background is slightly blurred, showing what appears to be a red and white striped barrier.

Are you a keen cyclist with a bike that you'll use to get to university and back?

All Chapters have bike storage for you, speak with the team at reception if you're unsure of where yours is located.

Want to cycle more in London?

Pick up a form at any Chapter reception to find out how you can get involved.

WANT TO CYCLE BUT DON'T OWN A BIKE YET?

Transport for London run a bike hire scheme in collaboration with Santander with more than 11,500 bikes at over 750 docking stations across London. Simply pick a bike up at the closest docking station to your Chapter, and drop it off at the closest station to your university.

Costs: £2 to access the bikes for 24 hours.

You can make as many journeys as you like within this time, and the first 30 minutes of each journey is included. Longer journeys cost £2 for each extra 30 minutes or less.

Visit <https://tfl.gov.uk/modes/cycling/santander-cycles> for more information including docking station locations, free cycle guides, leisure routes and cycle superhighways.
