Kerine De-Freitas	RBKC - Property Services
Olugunna, Alison	Head of Capital Programme (RBKC)
Marina Kroyer	Change for Life

### 0. WELCOME

James Caspell welcomed new members to the Project Board.

### 1.0 REVIEW OF ACTIONS

1.1 James Caspell took us through the actions from the last Project Boards and confirmed completion and progress.

### 2.0 PROPOSED TRANSITION FROM FNV to FNP

## **Future Neighbourhood Partnership Board**

Minutes and actions of 31 March 2022

- 2.1 Chrissy Galerakis highlighted that as we are in the final stage of the Future Neighbourhood Vision (FNV) we want to build on the successes and partnerships we have established in order to deliver and monitor some of the projects we have identified.
- 2.2 Chrissy Galerakis also highlighted that there are also other initiatives that are being delivered in the community that others may want to be involved in, aware of etc. and that we need a vehicle to track projects that impact the immediate community to maximise results for residents.
- 2.3 Chrissy Galerakis proposed a transition of the FNV to the Future Neighbourhood Partnership to bring together different community partners to co-deliver a future eco-neighbourhood for the community, organised according to the pillars of:
  - Economic development and education
  - Sustainability and green spaces
  - Connected communities and reducing inequality
  - Health and wellbeing
- 2.4 Chrissy Galerakis proposed that this board will transition to this broader focus and proposed a high level TOR for the group.
- 2.5 James Bridgewood highlighted the importance of ensuring this transition didn't duplicate other reporting. Hoping that rather this could simplify some reporting.
- 2.6 Adrian Lee highlighted that its important to remember that we didn't know when we set up this FNV what the projects would actually be – and that all of these different components are coming together that are over and above what we may have conceived.

### **3.0 UPDATE ON THE FUTURE NEIGHBOURHOOD VISION**

- 3.1 Chrissy Galerakis gave the Partnership Board a recap of the Future Neighbourhood Vision Programme Timeline highlighting that we are at the final Demonstrate Phase of the Arup support component of this process.
- 3.2 Opportunities Map Update
  - Chrissy highlighted that the Opportunities Map Report has been finalised and will circulate the link today.
  - Opportunities Map Report includes the proposed projects that came out of the FNV, and their proposed locations. It also collates feedback from residents and stakeholders against each of the projects and is a tool that can be used by all.
- 3.3 Training and Employment Hub Service Brief
  - Training and Employment Hub Services Brief (DRAFT) was submitted in February 2022.
  - Feedback was collated from key partners and stakeholders, and is currently being actioned by Arup.
  - First meeting of Training and Employment Hub Working Group was held in March 2022.

## Future Neighbourhood Partnership Board

Minutes and actions of 31 March 2022

- Abbas Dadou, Chair of RA, wanted to highlight the importance of being responsive to resident requests – and thanked everyone involved for listening to resident.

### 3.4 Lessons Learnt Event

- Next Future Neighbourhood Partnership Board will be a lessons learnt event to conclude the Future Neighbourhood Vision with a focus on:
  - 3.4..1 Review progress made and what we achieved
  - 3.4..2 Reflection on lessons on the process
  - 3.4..3 Identify any lessons on engagement
  - 3.4..4 Review of how outputs (baseline report, playbook of ideas, opportunities map etc.) can be utilised by all
- James Bridgewood wanted to hopefully tease out how we managed the service needs vs. estate needs.
- Adrian Lee raised the need to reflect on working in partnership and how we have progressed discussions with some, and not with others.

## 4.0 AVONDALE PARK UPDATE

4.1 Adam Nicholson from Parks team provided an update as to the works happening at Avondale Park:

- £550,000 funds were made available + £75,000 from FN from GLA
- 3 phase community consultation:
  - 4.1..1 Phase 1 – initial ideas and feedback
  - 4.1..2 Phase 2 – Focus Group Sessions
  - 4.1..3 Phase 3 – Survey
- Steering group established with local stakeholders to assist with co-design process
- Improvements to take place throughout 2022 – 2023.

4.2 Nordeen Fahmy highlighted the synergy in the works in Avondale Park themes with the Community Development Strategic themes with a lot of potential collaboration opportunities.

4.3 Graham Hart highlighted the Local Supply Chain initiative to support with the procurement.

- Nordeen Fahmy shared the link <https://rbkcsupplychain.co.uk/directory>

4.4 Sean Robinson highlighted that Avondale Park School is on the border of the park, and in line with the Environment theme, to ensure we bring in the schools in the area.

- Adam Nicholson highlighted that the schools will be included in the education component, raising awareness around woodland areas etc.

4.5 James Caspell highlighted that if there is a need to promote any works in the area to reach out to Shaun Haden to utilise our mailing lists and social media channels.

4.6 Abbas Dadou expressed gratitude to Adam Nicholson and the Parks team for listening to residents in their consultation approach.

## Future Neighbourhood Partnership Board

Minutes and actions of 31 March 2022

### 5.0 GREENING SCHOOLS IN NOTTING DALE UPDATE

5.1 Margareta Vutescu and Sean Robinson provided an update as to the air quality climate change audit in local schools in the area.

5.2 Sean Robinson highlighted the public health risk of air pollution – with 25% of primary schools in areas with dangerously high levels of pollution.

5.3 Margareta Vutescu highlighted that children are particularly vulnerable. London schools are at high risk of flooding – with schools in RBKC impacted in 2021.

5.4 Adam Robinson/ Margareta Vutescu highlighted the different activities to reduce exposure:

- Active travel – i.e. bike sheds, bike lessons, walking buses etc.
- School streets – to stop traffic
- Green infrastructure – green walls, planting etc.
- Behaviour change initiatives – increase awareness
- Improve buildings
  - 5.4..1 Deep retrofit of 37 buildings
  - 5.4..2 decarbonisation plan for 32 schools
  - 5.4..3 Replace gas boilers

### 6.0 AOB

6.1 No other business was raised.

### ACTION SUMMARY

ITEM REF	ACTION	OWNER	TARGET DATE
