

To whom it may concern,

On behalf of the flood affected residents on Stoneleigh Street and myself, we support the Council's application to the GLA's Future Neighbourhood 2030 Fund for a flood resilience and sustainable drainage scheme in Stoneleigh Street and Stoneleigh Place, as well as any funding that could be allocated to the flood defence project for nos. 13-17 Stoneleigh Street.

Best wishes,

Sasha

Sasha Sassoon

Resident of 17 Stoneleigh Street
