

HENRY DICKENS COURT RESIDENTS ASSOCIATION

Ms Jill Brown
Chair
Henry Dickens Court RA
London W11 4DL

2 October 2022

Dear Colin and Chrissy,

I writing in my capacity as Chair of the Henry Dickens Court Residents Association in support of The Royal Borough of Kensington and Chelsea Council's (RBKC) proposal for the 2030 Future Neighbourhoods application in Notting Dale.

Given that our 'home' windows were installed in the 1980's (and are falling apart); we strongly support this application to install double glazed windows, which will tackle the serious fuel poverty affecting our residents, increase thermal comfort and supports our (and your goal) of reaching a 'greener' net zero. We are also very supportive of the greening and gardening plans for the communal green spaces planned at Henry Dickens, driving biodiversity, reducing food waste and promoting a healthier and more circular economy. We will work with the relevant teams to deliver these projects with our residents.

Should the bid be successful, we are committed to working with you to deliver on your outcomes, especially in regard to upgrading our windows and greening our estate that is in line with the aims and objectives of the Future Neighbourhood Fund. Should you require any further information in support of this application, please do not hesitate to contact myself to the Residents Association. Contact details can be found at the bottom of this letter.

Kind Regards

Jill Brown
