

Site Cleaner Vacancy

Who are Vital Energi?

We are an energy solutions provider who design, build, operate and maintain centralised and efficient low carbon energy projects. We currently support hospitals, universities, new build residential developments, towns and cities as well as industrial and commercial clients to decarbonise their buildings. We have, and continue to, work on ground-breaking projects throughout the UK which are leading the way to achieving the UK's Net Zero targets.

The Opportunity

Vital Energi have recently secured a £5 million project with Notting Dale supporting them on their decarbonisation journey. As a result, we are looking for a Site Cleaner to join our project team based on site in London.

The Role

Reporting to the Site Manager you will be responsible for:

- General dry and wet cleaning of onsite amenities, ensuring site is tidy and well presented
- Removal of debris from surfaces, ensuring general hygiene cleaning duties are adhered to
- Replenishing all dispensers (soap, sanitising gel, paper towels, bin bags) in the hygiene points within the designated areas.
- Conducting deep cleaning as required.
- Completion/sign off of all relevant documentation (cleaning schedules, cleaning diary etc.).
- Ensure work is carried out in accordance with Health & Safety standards.

The Person

Will have:

- Previous experience as a cleaner preferred
- Knowledge of cleaning techniques and equipment, including the handling of cleaning chemicals

Competencies

- Attention to detail and thoroughness in cleaning tasks
- Ability to work independently and take initiative
- Strong time management skills

The Package

Includes:

- FTC for a minimum of 18 months
- Salary £ ***Competitive in line with skills and experience***
- Contributory Company Pension Scheme
- Employee Assistance Programme
- Pro-rata to 25 Days Holiday plus 8 days bank holidays.

Vital Energi is an equal opportunity employer. We celebrate our inclusive work environment and encourage individuals of all backgrounds and perspectives to apply. At Vital we are committed to having an inclusive and transparent environment where every voice is heard and acknowledged. We embrace our differences and know that our diverse team is a strength that drives our success.

The company is opposed to all forms of discrimination and will select for employment, training and promotion on the basis of suitability for the job and/ or merit. It is company policy that no job applicant or employee receives less favourable treatment than another on the grounds of sex, race, colour, age, ethnic or national origins, political affiliations, religious beliefs, marital status, physical disability or is disadvantaged by unjustifiable conditions or requirements.

Only applicants who are legally entitled to work in the UK and are currently resident in the UK are invited to apply.

If you are interested in the above vacancy or have any questions, please contact recruitment@vitalenergi.co.uk with a copy of your CV.
