

Local jobs for local people.

**Maximising financial and
career opportunities**

**Generating over £3million
of local income to date, our
Community Development
and Social Value strategy
demonstrates our
commitment to supporting
residents to **maximise
financial and career
opportunities**, and put
money back into the local
area.**

Putting money back in your pocket.

Maximising financial and
career opportunities

Since launching, the Money MOT has supported over 100 local residents with tailored advice and hands-on support to improve their financial wellbeing, working in partnership with local organisations.

Our Community Development and Social Value strategy demonstrates our commitment to supporting residents to **maximise financial and career opportunities**, and put money back into their pocket.

To date, the Money
MOT helped residents
increase their
household income by
£99,320

Putting people at the heart of housing.

Being healthy and well

We know that **being healthy and well** starts within your home. Our Community Development and Social Value Strategy demonstrates our plans to work with partners to increase opportunities to connect and contribute through our community programmes.

Be proud of your place.

Living more sustainably
on a garden estate, in a
greener neighbourhood

Through programmes such
as our Green Skills Academy,
energy advice and circular
economy initiatives.
Our Community
Development and Social
Value Strategy sets out how
we deliver a **greener, cleaner
neighbourhood where
everyone can thrive.**

Your Neighbourhood, Your Voice.

Living in a connected community as drivers of change, experiencing improved levels of equality.

Residents should be at the heart of shaping their homes and their neighbourhood. Our Community Development and Social Value strategy outlines **how we deliver change with our residents, for our residents.**
